

I Hope You Know (I Love You)

May 2, 2005

Turn out the lights tonight
Baby I wanna hold you tight
Everyone has had their time
With me today

Wish I had the time I've lost
Give it back and give you my all
And the chance to say all the words
I meant to say

Cause you don't know
What you mean to me
I may not say it enough
But I hope that you can see

Though I can't give you much
But a heart that's always true
I hope you know
How much I love you

I've come to realize
What matters most in life
Is what we all try the least
To spend it on

If asked in the end
I don't wanna say I didn't get
A chance to love
And live it to the most

Cause you don't know
What you mean to me
I may not say it enough
But I hope that you can see

Though I can't give you much
You've got a heart that's always true
And I hope you know
How much I love you

From this moment on
I wanna give my heart to you
And I hope you know
How much I love you
